STATEMENT OF THE INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

February 28, 2006

Sir:

A interview was held with Chad J. Billings on February 1, 2006. In the interview, the Examiner agreed that the prior art of record fails to disclose the limitations of the independent claims, especially the symbol comprising a raster point and a marking; and the step of determining the value of each symbol based on the relationship between the raster point to the center of the marking. The Examiner stated he would perform an updated search, but was unaware of existing prior art that would read upon the claim language.
